

SOUTH FLUID EQUIPMENT CO.,LTD

ABOUT OUR

ABOUT OUR

Shanghai South Fluid Equipment Co., Ltd. is headquartered in Wenzhou in China. Our company specializes in designing, producing and selling high precision sanitary fluid equipment. Our products include quick-install manual pneumatic and electric butterfly valves, ball valves, diaphragm valves, adjusting valves, safety valves. Our tank fluid facilities include manhole covers, cleaning ball, sight glasses, filters. Our pipe fittings and pumps include unions, weld, clamp and threaded elbows, tees, reducers, cam pumps, mixing pumps. All South products can be made according to DIN, SMS, IDF, ISO, BS, DS, 3A, RJT, BPE. Our products sell well in Europe, America and other countries and regions.
